SCHOLARSHIP NIGHT

Student Experiences in Metal Casting

SPEAKER: DR. ROBERT TUTTLE AND SVSU STUDENTS

Dr. Robert Tuttle's students of the Saginaw Valley State University (SVSU) AFS chapter will present on several of the hands-on activities they conduct. The talk will include open foundries and their recent entry in the SFSA steel casting competition. The major focus of the talk will be how the students developed the design and process for their steel casting, including simulation results and pattern making.
